

Education in
Tuberculosis
& Other Lung
Diseases

Are you a healthcare professional, researcher, or student with a keen interest in tuberculosis and/or lung diseases? The e-TOLD webinar series is your opportunity to stay updated on the latest developments in these fields while connecting with peers and experts from Finland and Tanzania.

- **Global Perspectives:** gain insights from professionals working in both low-resource and high-resource settings, enhancing your understanding of global challenges in lung health.
- **Expert Speakers:** learn from leading experts in tuberculosis and respiratory medicine from Finland and Tanzania.
- **Networking Opportunities:** connect with international peers to foster collaboration and address health inequities.

Upcoming Webinar:

Tuberculosis Diagnostics

19th September 2024 | *Time:* 18:00 – 19:30

Ekaterina Musatova: Finding *Mycobacterium tuberculosis*
Issa Sabi: New developments in tuberculosis diagnosis
